

MimioCapture^{ink} recorder

Teachers can automatically record whiteboard notes right to their computer as they're teaching—without needing a projector. That means they can spend time developing lessons rather than creating handouts. For students, it means more time paying attention and less time taking notes.

The MimioCapture™ ink recorder extends the functionality of the MimioTeach™ interactive whiteboard by allowing teachers to automatically save whiteboard notes and drawings directly to their computer in four colors. Teachers can give them to students for review, and to those who missed a lesson. Students can pay better attention, keep up more easily, and participate more, because they no longer have to write everything down.

The MimioCapture ink recorder is portable and easy to use. Carry it from room to room, and charge it with a simple USB connection to your computer. The convenient magnetic pen holder affixes to any steel surface, keeping the MimioCapture pens and eraser close at hand.

- Save, edit, and print whiteboard notes for students anytime, in a variety of formats (including PDF, JPEG, and HTML).
- No projector is needed to enjoy MimioCapture functionality.
- Add student drawings to lessons on the fly.
- With MimioStudio™ classroom software, convert handwriting into text in documents.
- Includes tabletop recharging tray and convenient magnetic pen holder.

“MimioCapture makes it extremely easy to capture my lesson for students to refer to later ...”

Kurt L. Kohls, School Technology Specialist
Fairfax, VA

MimioStudio software—so easy to use and engaging, your teachers will use it every day.

The MimioCapture ink recorder utilizes the dynamic MimioStudio classroom software. It connects the Boxlight products, so using other tools—from the document camera to the pen tablet—is quick and easy. MimioStudio software allows educators to create interactive lessons and collaborative activities, and perform real-time formative assessment. The software also opens other IWB activities, enabling educators to use the interactive content they already have. **Take learning even further with our MimioMobile™ app, which brings group learning and collaboration to almost any device.**

Specifications

Software	MimioStudio 11.4 and higher on a Windows, Mac, or Linux OS.
Requirements	MimioTeach interactive whiteboard and MimioStudio classroom software.
Whiteboard Active Area (per device)	1.2 m x 2.4 m (4 ft x 8 ft)—landscape orientation.
Dimensions Recharging Tray	254 mm D x 174.6 mm W x 34.9 mm H (10 in. D x 6.9 in. W x 1.4 in. H)
Magnetic Pen Holder	235 mm D x 95 mm W x 44 mm H (9.3 in. D x 3.8 in. W x 1.8 in. H)
Weight	Tray: .45 kg (1 lb) Tray, 4 pens, eraser: .79 kg (1.75 lb) Pen holder: .136 kg (.3 lb)
Recharging Tray	Serves as a charging station for the batteries inside the pens and eraser.
Marker Pens	MimioCapture pens use Expo-type dry erase markers. Pens: 171 mm x 32.2 mm x 32.2 mm (6.7 in. x 1.3 in. x 1.3 in.). lithium-ion battery recharges while pen is docked in the tray.
Eraser	76.11 mm x 76.11 mm x 84.3 mm (3 in. x 3 in. x 3.3 in.). 71 mm (2.8 in.) eraser surface. lithium-ion battery recharges while eraser is docked in the tray.
Power Consumption	5V - 100mA DC via fixed USB cable
Automatic Mode Switching	MimioCapture mode can be initiated from a MimioTeach interactive whiteboard or MimioBoard interactive whiteboard in interactive mode by touching a marker pen to the board, or can be initiated via MimioStudio software.
Accessories	Replacement parts: kit for eraser felt pads, 4 color pens.

What's in the Box

Tabletop recharging tray, magnetic pen holder, 4 marker pen holders with rechargeable lithium-ion batteries, 4 dry erase Expo® markers (red, green, blue, black), eraser with rechargeable lithium-ion battery, and mounting bracket (for non-magnetic surfaces).

Support You Can Count On

We know how important it is to feel confident in the tools you use every day, so we make sure you can count on our products and service. We offer flexible training resources, our MimioConnect™ online educator community, and US-based in-house, dedicated product specialists. Email, chat, or call us 24/7/365 and we will be there to support you.
